Dear Ms. Cortina:

As I mentioned to you on the phone, I do not think our company has ever had any of its waste material delivered to the Picillo Site in Rhode Island.

I would appreciate it if you would let me know how the EPA got our company's name on the list of potential responsible parties for the Picillo Site.

Our EPA ID number is:

NJD 002177319

Thank you for your attention to this matter.

Sincerely yours,

TRANSCO PRODUCTS CORP.
